POLICY STATEMENT

1. VALUES

Kunyang Preschool is committed to:

- Providing a safe and healthy environment for children participating in the Bush Kinder program
- Facilitating a Bush Kinder experience in a variety of (safe) weather conditions, including rain, to allow children to experience nature across as broad a spectrum as possible and without compromising the safety of the participants
- Ensuring clothing worn by children in the program allows for maximum comfort, free movement and does not obstruct the children in their activities in the Bush Kinder setting
- Facilitating communication to parents to ensure compliance with this policy

2. SCOPE

This policy applies to children, parents, staff, committee members, authorised persons, volunteers and students on placement working at Kunyang Preschool.

3. BACKGROUND AND LEGISLATION

Background

Kunyang Preschool's Bush Kinder program is intended to operate in term 2, allowing children to experience nature and its elements across this seasonal period. Whatever the weather, children are encouraged to take the lead in playing, exploring and learning in a natural environment. For this reason, there are some particular clothing requirements in the Bush Kinder setting that may differ from requirements in a centre-based environment.

Legislation

Relevant legislation may include but is not limited to:

- *Education and Care Services National Regulations 2011*
- *Education and Care Services National Law 2010*
- *National Quality Standard*, including Quality Area 2: Children's Health and Safety
- Occupational Health and Safety Act 2004
- Occupational Health and Safety Regulations 2007

4. DEFINITIONS

Protective and appropriate clothing & footwear:

It is important that Bush Kinder participants wear appropriate and protective clothing and footwear which:

- allows children to move freely and undertake activities such as climbing, balancing, running, puddle jumping
- keeps children warm and dry in cold/wet weather
- protects children from the damaging effects of the sun, UV rays in warm weather and high UV conditions.
- prevents sunburn, bites, scratches and stings. (Even in warm weather, long sleeve tops and long pants are recommended - this clothing should be loose fitting and light).
- In the case of footwear, keeps feet and toes covered and has a flexible and gripped sole to allow children to climb and balance on uneven surfaces

The following table provides examples of recommended clothing, clothing which is not recommended and unacceptable clothing:

	Warm Weather	Cold Weather / Rain
Recommended clothing and footwear	Light loose fitting long sleeve tops and long pants, broad brimmed or legionnaires hat*, closed toe shoes	Waterproofs, long pants, long sleeved top, beanie, waterproof gloves, gumboots, thermals in very cold weather
Not recommended	short sleeved tops, long skirts or dresses, shorts	Skirts, dresses (incompatible with waterproofs)
Unacceptable clothing and footwear	Open toe shoes, sandals, thongs, crocs, singlet tops	Non-waterproof clothing. [waterproofs on top of non-waterproof clothing is acceptable].

* Hats will be provided by Kunyung Preschool.

Change of clothes: All children participating in Bush Kinder are required to bring a change of clothes and footwear as these may become wet and muddy. It is recommended that the spare clothing include:

- Spare top and bottoms of appropriate thickness/weight for the weather on the day
- Spare underpants (and singlet in winter)
- 2 pairs of socks
- 1 pair of gumboots during cold weather (it is not recommended that gumboots are worn at all times due to the restriction of movement they impose).

Waterproofs: Light rainproof puddle suit worn over clothing, which includes a jacket with a hood, and pants (provided)
